Sedgwick County Court Costs and Fees To Offer Online Payment

(Sedgwick County, Kansas) – At the December 18 Commission meeting, Sedgwick County Commissioners approved the agenda item allowing payment of County Court fines and costs online. This will allow accused persons to pay fines and costs through the official county internet site at www.sedgwickcounty.org by using a credit card.

Such violations include, but are not limited to, the following: Nuisance Code, Animal Code, Fire Code, Zoning Code, and Parking violations. This system is only for fines assessed by the Sedgwick County Court. Fines assessed by the District Court, including traffic or criminal violations, are not included.

“This online service provides convenience for taxpayers and helps us to handle the payment of fines more efficiently,” said Sedgwick County Commission Chairman Ben Sciortino. “This is yet another way we are making the services we provide more accessible to the community.”
